REAch2 policy on charging and  
remissions for school activities

At REAch2, our actions and our intentions as school leaders are guided by our Touchstones:

Integrity	We recognise that we lead by example and if we want children to grow up to behave appropriately and with integrity then we must model this behaviour
Responsibility	We act judiciously with sensitivity and care. We don't make excuses, but mindfully answer for actions and continually seek to make improvements
Inclusion	We acknowledge and celebrate that all people are different and can play a role in the REAch2 family whatever their background or learning style
Enjoyment	Providing learning that is relevant, motivating and engaging releases a child's curiosity and fun, so that a task can be tackled and their goals achieved
Inspiration	Inspiration breathes life into our schools. Introducing children to influential experiences of people and place, motivates them to live their lives to the full
Learning	Children and adults will flourish in their learning and through learning discover a future that is worth pursuing
Leadership	REAch2 aspires for high quality leadership by seeking out talent, developing potential and spotting the possible in people as well as the actual

- The Charges for Music Tuition (England) Regulations 2007
- The Education (Prescribed Public Examinations) (England) Regulations 2010
- DfE (2018) 'Charging for school activities'

## Circumstances where no charge is made

**No charge will be made for:**

### ***Education in School***

1. Education provided wholly or mainly during school hours.
2. Admission applications to school for children of compulsory school age.
3. Activities that are part of the entitlement curriculum<sup>1</sup> for all pupils, or are part of a prescribed examination syllabus, or part of religious education.
4. The supply of any materials, books and instruments or other equipment that are a requirement of the entitlement curriculum.

### ***Transport***

5. Transporting registered pupils to or from the school premises, where the local authority has a statutory obligation to provide transport.
6. Transporting registered pupils to other premises where the governing body or local authority has arranged for pupils to be educated.
7. Transport that enables a pupil to meet an examination requirement when they have been prepared for that examination at the school.
8. Transport provided in connection with an educational visit, which is part of the entitlement curriculum.

<sup>1</sup> The 'entitlement curriculum' is the learning activities and experiences that the school will make available to all or any pupil that is provided wholly or mainly during school hours.

### ***Residential visits***

9. Education provided on any visit that takes place during school hours.

Charges may be made for other activities known as 'optional extras'. Where an optional extra is being provided, a charge may be made for providing materials, books, instruments, or equipment as follows:

### ***Education***

14. Activities that take place mainly or wholly out of school time if they are not part of the entitlement curriculum, not part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school and not part of religious education.
