

Springhill Primary Academy

Equality Statement, Information & Objectives September 2023

Date Completed: September 2023

Equality Statement

Springhill Primary Academy is committed to the principle of equal opportunities for all. We operate an inclusive curriculum, which respects the diverse needs of every child.

This statement demonstrates our commitment to ensure full access to the progression through the curriculum for all pupils. In addition, it acts as a positive focus when considering matters of school management and organisation.

We encourage the development and promotion of positive attitudes through the implementation of a curriculum which is broad and balanced, thus enabling all pupils regardless of colour, race, creed, gender or special educational needs, to have full access to the curriculum.

We believe that by acknowledging, valuing and understanding our similarities and differences that members of our society will play an active role in contributing to our future society. The academy's touchstones, and in particular our positive behaviour expectations and learning powers are at the heart of all we do.

We recognise that prejudice can, and does, exist at all levels in our society. However, it will not be tolerated at any level within our academy.

We value all our children at Springhill Primary Academy and recognise the positive contribution each child can make in enriching and enhancing the ethos of our academy and wider community.

This is an annual statement made on behalf of the Local Governing Body by the Headteacher.

1. Our equality vision and values that underpin school life

Mission statement

Our mission statement, “**Reach High – Learn Together**”, underpins everything we do and strive to do.

Vision

Springhill Primary Academy is an inclusive setting, valuing all children’s achievements and ensuring that each child is given every opportunity to meet their full potential within a secure and stimulating learning environment.

Academy aims

We aim to nurture independent children who can ‘reach high’ to attain personal and academic goals and who are equipped with lifelong skills for successful futures.

Springhill Academy nurtures its children by:

- Providing a safe, **happy** school in which pastoral care is given a high priority by dedicated staff;
- Expecting and promoting the highest standards of behaviour and respect towards one another, reflected in our value of being **courteous**.
- Giving children an excellent, secure start to their school experience.
- Teaching children how to keep themselves safe and **healthy**.
- Establishing positive relationships with parents and carers.
- Developing a strong sense of community and pride, with a welcoming “family feel” to the school;

Springhill Primary Academy encourages its children to excel by:

- Striving for the highest possible standards of achievement through the provision of an engaging and enriching creative curriculum, reflected in our value of **high achieving**.
- Being inclusive and committed to providing for individual children’s needs.
- Developing ‘**go-getters**’ who are **enthusiastic** about their learning.
- Teaching our children to be **aspirational** about their own futures and preparing them to become responsible global citizens.
- Ensuring that staff are given opportunities to continue their own learning and to share quality practice with other professionals.

Springhill Academy inspires its children to become independent learners by:

- Teaching learning dispositions which equip children with the skills and **resilience** to make mistakes, tackle challenges and to solve problems.
- Celebrating and promoting individual strengths, talents and progress.
- Promoting respectful attitudes and encouraging our children to have a voice in the running of their school.

Fundamental British Values

As part of the value system, the academy actively promotes and encourages the fundamental British values which permeate through all aspects of school life.

These are:

- Democracy
- The Rule of Law
- Individual Liberty
- Mutual Respect
- Tolerance of those of different faiths and beliefs

These values are regularly promoted through high quality teaching, a rounded programme of assemblies and a positive behaviour policy. This provision allows pupils to develop and demonstrate skills and attitudes that will allow them to participate fully in and contribute positively to life in modern Britain. As well as teaching our pupils, our active promotion of these values also means we challenge pupils, staff and parents who express contrary opinions.

3 Our duties

At Springhill Primary Academy we welcome our duties under the Equality Act 2010.

The Governing Body of Springhill Primary Academy is committed to promoting equality and diversity and eliminating discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Equality Act 2010.

By recognising and appreciating individual needs and differences the school will be broadly representative of the communities it serves, and be a place where children and staff will thrive – physically, mentally, socially, and spiritually.

We aim to advance equality of opportunity and foster good relations between persons who share a relevant protected characteristic and persons who do not share it. This will be achieved by implementing equal opportunities and diversity practice across the three dimensions of the School: as an employer; an educator; and a resource of the local community.

We will ensure that the whole school community is aware of the Equality & Diversity Statement and our published equality information and objectives, by informing parents that they are published on our website and in our school prospectus.

Springhill Primary Academy is committed to meeting its public sector statutory duties as detailed below. We understand that the duties apply to service delivery and employment and staff management as well as policy development and implementation.

The purpose of this information is to set out how our practice and policies have due regard to the need to:

- **eliminate discrimination**, harassment, victimisation and any other conduct that is prohibited by or under this Act.
- **advance equality of opportunity** between persons who share a relevant protected characteristic and persons who do not share it
- **foster good relations** between persons who share a relevant protected characteristic and persons who do not share it.

4 Protected characteristics

We understand the principle of the Act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equality of opportunity. A protected characteristic under the act covers the groups listed below:

5 Disability

At Springhill Primary Academy, we implement accessibility plans which are aimed at:

- increasing the extent to which disabled pupils can participate in the curriculum;
- improving the physical environment of schools to enable disabled pupils to take better advantage of education, benefits, facilities and services provided;
- improving the availability of accessible information to disabled pupils.

6 How we meet our legal and general duties

In order to meet our general duties, listed above, the law requires us to do some specific duties to demonstrate how we meet the general duties. These are to:

1. Publish equality information

No information will be published which could specifically identify any individual child or adult.

2. Prepare and publish equality objectives

To do this we will collect data related to the protected characteristics above and analyse this data to determine our focus for our equality objectives. The data will be assessed across our core provisions as a school. This will include the following functions:

- Admissions
- Attendance
- Attainment
- Exclusions
- Prejudice related incidents

We will use the information collected to:

- evaluate how well we comply with all our duties under the Equality Act
- assess the potential and actual impact of policies and procedures
- decide where positive action may be appropriate
- identify priorities, set equality objectives and update our accessibility plan
- monitor progress towards meeting these objectives and implementing our accessibility plan
- inform future action.

Our objectives will detail how we will ensure equality is applied to the services listed above; however, where we find evidence that other functions have a significant impact on any particular group we will include work in this area.

7 Core Statements

In fulfilling our legal obligations, we will be guided by seven core statements:

- All learners are of equal value.
- We recognise, welcome and respect diversity.
- We foster positive attitudes and relationships, and a shared sense of belonging.
- We observe good equalities practice, including staff recruitment, retention and development.
- We aim to reduce and remove existing inequalities and barriers.
- We consult and involve widely
- We strive to ensure that society will benefit.

8 Addressing Prejudice Related Incidents

Our academy is opposed to all forms of prejudice and we recognise that children and young people who experience any form of prejudice related discrimination may fare less well in the education system. We provide both our pupils and staff with an awareness of the impact of prejudice to prevent any incidents. If incidents still occur, we address them immediately and report them to the Local Authority using their guidance material.

9 Chain of accountability

The Local Governing Body, supported by the Headteacher and staff, is responsible for ensuring the implementation of this scheme.

The Headteacher retains overall responsibility for ensuring that the action plan is delivered effectively.

Each term, managers and key staff will report to the Headteacher on actions and progress.

Governors will discuss the impact of the Equality Information and Objectives annually as part of the policy review.

All staff are responsible for delivering the scheme both as employees and as it relates to their area of work.

Evidence of this engagement is included in our published material that shows how the duty has been addressed.

This includes:

12 Evaluating the impact

Equality Impact Assessment (EQIAs) helps us to ensure that there is no unlawful discrimination against certain individuals or groups and that the positive duties are promoted. It is a way to ensure we meet diverse needs of our pupils/students and staff and that diversity, equality and inclusion run through all areas of school life.

13 Commitment to review

The academy equality scheme is aligned with the School Development Plan. Its implementation is monitored within the school's self-evaluation and other review processes (The Senior Leadership Team and Governing Body) as well as being updated at least annually. We will publish information annually on the school website, in our school prospectus.
